WORK EXPERIENCE

- ~ **Pro Sport Physical Therapy: Intern/Aide (July 2019-September 2019)**
During my short summer at home in California, I was a paid intern and aide at a physical therapy clinic. I would set up tables for patients, help with simple physical therapy exercises, and also help clean the clinic and do laundry.
- ~ **Team Member at Target (January 2018-January 2019)**
As a Target Team member, I was trained in many different departments across the entire store. I would work in the grocery section, home section, and as a cashier. This job gave me the opportunity to learn more about customer service in a different environment.
- ~ **Waitress at Fratello's Italian Restaurant (January 2016-December 2018)**
I was a server for two years while in high school and while I was back home from college. I would open the restaurant in the morning or close the restaurant at night depending on the shift. I learned a lot about customer service and the restaurant business during this time. I would take drink orders, food orders, bring food to the customers' table, and also train new employees.
- ~ **Hostess at Fratello's Italian Restaurant (May 2015-December 2016)**
For my first few months at Fratello's, I was a hostess and ToGo server. I would answer the phones, take phone orders, and seat people when they arrived at the restaurant. This position taught me how to interact with customers in a professional manner. After a year in this position, I was promoted to be a server.
